

# Does That Go Down The Drain?

Before you pour something down the drain, ask yourself these questions and make sure that it's not one of these items. Thank you for keeping Castro Valley's wastewater system working properly!

## IS IT HAZARDOUS?

- No hazardous waste (paint, antifreeze, chemical cleaning agents, pesticides, untreated bio-hazard waste, etc.)
- No reactive or flammable waste (gasoline, bleach, etc.)
- No mercury, lead, silver other inorganic compounds, etc.
- No controlled substances, medicines, or pharmaceuticals
- No radioactive waste

## IS IT NOT A LIQUID?

- No solids or sludges
- No powders or salts
- No solid waste (food, floss, hair, sponges, etc.)

## WILL IT CLOG PIPES?

- No fats, oils, or grease
- No wipes (baby, sanitary, etc.)
- No cotton balls, swabs, or makeup pads
- No tissues, napkins, or paper towels
