WHAT GOES IN MY BLUE RECYCLING CART?

- All plastics #1-7, lids are ok (except foam plastic)
- Scrap metal (up to 2 ft. & 40 lbs.)
- Aluminum foil products
- Bundled plastic bags/wrap
- Paper cartons
- Metal containers
- Clean paper
- Glass containers
- Cardboard

TIPS:
1. Buy recycled products.
   Close the loop on recycling and buy products that are made with recycled materials. Items identified as containing “post-consumer” materials are made from the very things you toss in your recycling cart!
2. Place recyclables loosely in the recycling cart. Should you need to bundle your recyclables, please use a paper bag. Do not use plastic bags (except for bundled plastic bags/wrap); bagged recyclables will not be able to be sorted at the Davis Street Transfer Station.

THESE ITEMS DO NOT BELONG IN THE BLUE CART:

- Ceramic dishes & cups, glassware
- Windows, mirrors, sheet glass
- Foam plastic
- Juice boxes/juice pouches
